Sir

The above-identified application became abandoned for failure to timely file a response to the Notice to File Missing Parts of Nonprovisional Application ("NFMPNA") dated December 1, 2004. Original counsel of the Applicants has indicated that the NFMPNA was never received from the U.S.P.T.O. Further, existence of the NFMPNA and abandonment of the application was only recently discovered by Applicants' original counsel. The entire delay in filing the required reply, namely the response to the NFMPNA, from the due date for the reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. Thus, the abandonment was unintentional.

Since this utility/plant application was filed on or after June 8, 1995, no terminal disclaimer is required.
